Seeking: Driver (Class B) - Full Time

Rice Lake

Our Associates support our team with a variety of building materials to our customers. We are customer focused and a CDL Driver will serve as an important part of our customer service team.

Job Duties: Primary duties include delivering building materials to customer jobs sites, building loads, handling inventory and serving customers in the yard.

Duties include:

- Deliver lumber, cabinets, doors, windows and millwork to job sites.
- Operate forklifts, millwork van, moffett, and boom trucks.
- Build and stage loads for delivery.
- Assist in receiving and unloading trucks.
- Perform customer service – assist customers in the yard.
- Complete yard functions: inventory counts, material handling, yard organization and cleaning.
- Observe all safety rules and regulations. Take prompt corrective action concerning any potential safety hazards.
- Perform other duties as assigned.

Requirements: Class B required. Must be able to pass DOT physical, drug test, and pre-employment background check. Lumber and building materials knowledge preferred. Exceptional customer service skills a must. Ability to carry up to 90 lbs regularly. Ability to work more than 40 hours per week when needed. Must be motivated and able to work independently. Must be able to work Saturdays.
