Paul's Sheet Metal & Roofing Inc. is a family owned and operated business since 1919. We average 40 full-time employees that have been with us from 1-42 years, with many years of experience. We have been a LENNOX dealer since 1919. We offer both Commercial and Residential HVAC and Roofing services. Our NATE-Certified HVAC technicians are trained and certified to install all types of heating and cooling systems. We are an award-winning Carlisle roofing contractor which is only given to the TOP 5% of the U.S. authorized roofing applicators. We also have a Sheet Metal Shop with a plasma cutting table for our custom sheet metal fabrication for our jobs and our customers.
